

## How to get to UFS

From the parking lot at "Eibsee" there are two ways to reach UFS as described below. Eibsee may be reached from Garmisch-Partenkirchen which has a train connection to Munich (1.5 h) either by the trains of the „Bayerische Zugspitzbahn“ (1a) which depart just outside the railway station or by car via the village of Grainau. From Eibsee either use the cogwheel train of the Zugspitzbahn to the station Zugspitzplatt in the ski resort (final station, also called "glacier station Zugspitzplatt"). It's a bit faster to use the cable car to the summit of Zugspitze (1b) and then a second cable car to decent to Zugspitzplatt (see cartoon).
